Orangeburg County Library will be presenting a five-week Winter storytime series beginning January 27th and continuing through February 25th, 2010 for children ages two through five accompanied by parents. These programs will be presented on Wednesday and Thursday mornings from 10:30 – 11:00 in the Orangeburg County Library Meeting Room. Since both programs are the same, please choose one to attend each week.

The first program will be Wednesday, January 27th, and will be repeated on Thursday, January 28th. Children will learn an action rhyme, which will be used each week during the series. Selected books will be read as part of this first program and children will also have time to look at books.

Further information on preschool storytime is available from the Children's Services Department of the Library. Call 533-5858 for details. The Orangeburg County Library is committed to free and open access to all its services and activities. Please notify staff of any needed assistance or accommodations at 531-4636.
