SCOPE OF WORK/SPECIFICATIONS

- The scope of work is for the installation and furnishing of all furniture and accessories as so stated in this Best Value Bid. Room measurements and dimensions are all to be verified on site by vendor. Vendor must create detailed schedules and monitor the progress of internal and external project activities. Ensure that deadlines are met and deliveries are accurate. Additionally, vendor must complete assembly and installation, placement of all furniture, complete installation of all accessories, onsite clean of installation debris, and offsite disposal of all packaging materials.

Specifications (Please read)

Brand Names: The name of any manufacturer, trade name, or manufacturer's or vendor's catalog or model number set forth in the below specification is for the purpose of describing the minimum standard of quality, type or performance. Such references are not intended to be restrictive. Bids will be considered for any brand that meets or exceeds the quality or performance specified. Furniture must be acceptable so as to meet established design requirements and pre-approved by end user prior to final award. Any request for substitutions that meet or exceed this design and performance specification must be submitted on Certification of No Exceptions. No consideration will be given to any substitutes that are not pre-approved in writing prior to final award. Approval or denial of substitutions will be at the end users discretion as to equality of the product and ability to meet quality and/or design requirements. Specifications are subject to normal manufacturing tolerances and may be changed without prior notice.
