General Description

The purpose of this job is to respond to emergency medical calls promptly, providing patients quality medical treatment and transportation to appropriate medical facilities. Performs SC approved Advanced-EMT skills. Completes required records and performs routine maintenance of equipment and vehicles

This class works under general supervision, independently developing work methods and sequences.

Duties and Responsibilities

The functions listed below are those that represent most of the time spent working in this position. Management may assign additional functions related to the type of work of the position, as necessary.

- Assists in managing an emergency medical service station, personnel and equipment at the assigned station and shift; ensures compliance with all applicable policies, procedures, regulations, protocols, and standards of quality and safety.
- Responds to emergency calls, providing basic and advanced level life support treatment and first aid to patients, as well as transportation to appropriate medical facility. Obtains patient medical history if possible; assesses physical condition of patients and assists in making decisions regarding proper courses of action. Performs such duties as CPR; splint application; wound treatment; control of bleeding; monitoring and relaying of vital signs; oxygen administration; sterile suctioning; intravenous therapy; blood glucose monitoring; nasotracheal and KING airway.
- Operates an ambulance and a wide range of lifesaving / life supporting equipment, tools, safety gear, sirens, medical instruments, radio, and supplies.
- Communicates via radio with dispatch center, hospital personnel and other public safety agencies to receive and to transmit instructions involving patient care. Provides instructions to first responders and bystanders in the use of first aid equipment.
- Assists in securing accident scenes as necessary, performing such duties as gathering information, preserving evidence, providing crowd/traffic control, and assisting with auto extrication.
- Completes required patient care reports and forms documenting patient treatment. Review the work of partner for completeness and accuracy.

This Class Description does not constitute an employment agreement between Orangeburg County and an employee and is subject to change by the County as its needs change.
