NOW, THEREFORE, pursuant to the authority granted to the County Council for Orangeburg County under the Constitution, statutes, and laws of the State of South Carolina, BE IT ENACTED by the Orangeburg County Council, in meeting duly assembled, after three readings and a public hearing, the following ordinance:

Section 1. License Required.
Every person engaged or intending to engage in any calling, business, occupation or profession, in whole or in part, within the limits of the County of Orangeburg, South Carolina, is required to pay an annual license fee for the purpose of doing business and obtain a business license as herein provided.

A. BASIS FOR TAX. As referenced by SC Codes section 4-9-30(12) the statutory basis for levying a business license tax is required to be measured by gross income.

Section 2. Definitions.

Section 3. Purpose and Duration.
The business license fee levied by this ordinance is for the purpose of providing such regulation as may be required for the business subject thereto and for the purpose of raising revenue for the general fund through a privilege fee. Each license shall be issued for one calendar year ending December 31. The provisions of this ordinance and the rates herein shall remain in effect from year to year as amended by the Council.

Section 4. License Fee.
A. The required license fee shall be paid for each business subject hereto according to the applicable rate classification on or before the __ day of __________ in each year, except for those businesses in Rate Class 8 for which a different due date is specified.

B. If gross income cannot be separated for classifications at one location, the license fee may be computed on the combined gross income for the classification requiring the highest rate. A license fee based on gross income shall be computed on the gross income for the preceding calendar or fiscal year, and on a twelve-month projected income based on the monthly average for a business in operation for less than one year. The fee for a new business shall be computed on the estimated probable gross income stated in the license application for the balance of the license year. The initial fee for an annexed business shall be prorated for the number of months remaining in the license year. No refund shall be made for a business that is discontinued.
Section 5. Registration Required.
A. The owner, agent or legal representative of every business subject to this ordinance, whether listed in the classification index or not, shall register the business and make application for a business license on or before the due date of each year; provided, a new business shall be required to have a business license prior to operation within the County. A license for a bar (NAICS 722410) must be issued in the name of the individual who has been issued a State alcohol, beer or wine permit or license and will have actual control and management of the business.

B. Application shall be on a form provided by the License Official which shall contain the Social Security Number and/or the Federal Employer’s Identification Number, the business name as reported on the South Carolina income tax return, and all information about the applicant and the Licensee and the business deemed appropriate to carry out the purpose of this ordinance by the License Official. Applicants may be required to submit copies of portions of state and federal income fee returns reflecting gross income figures.

C. The applicant shall certify under oath that the information given in the application is true, that the gross income is accurately reported, or estimated for a new business, without any unauthorized deductions, and that all assessments, personal property taxes on business property and other monies due and payable to the County have been paid.

Section 6. Deductions, Exemptions, and Charitable Organizations.
A. No deductions from gross income shall be made except income from business on which a license tax is paid to any other County or to any municipality, or income which cannot be taxed pursuant to State law. The applicant shall have the burden to establish the right to exempt income by satisfactory records and proof.

B. No person shall be exempt from the requirements of the ordinance by reason of the lack of an established place of business within the County, unless exempted by State or Federal law. The License Official shall determine the appropriate classification for each business in accordance with the latest issue of the North American Industry Classification System (NAICS) for the United States published by the Office of Management and Budget. No person shall be exempt from this ordinance by reason of the payment of any other fee, unless exempted by State law, and no person shall be relieved of liability for payment of any other fee or fee by reason of application of this ordinance.

C. A Charitable Organization shall be exempt from the business license fee on its gross income unless it is deemed a business subject to a business license fee on all or part of its gross income as provided in this section. A Charitable Organization or any for-profit affiliate of a Charitable Organization, that reports income from for-profit activities, or unrelated business income, for Federal income fee purposes to the Internal Revenue Service shall be deemed a business subject to a business license fee on the part of its gross income from such for-profit activities or unrelated business income.

A Charitable Organization shall be deemed a business subject to a business license fee on its total gross income if (1) any net proceeds of operation, after necessary expenses of operation,
inure to the benefit of any individual or any entity that is not itself a Charitable Organization as defined in this ordinance, or (2) any net proceeds of operation, after necessary expenses of operation, are used for a purpose other than a Charitable Purpose as defined in this ordinance. Excess benefits or compensation in any form beyond fair market value to a sponsor, organizer, officer, director, trustee or person with ultimate control of the organization shall not be deemed a necessary expense of operation.

Section 7. False Application Unlawful.
It shall be unlawful for any person subject to the provisions of this ordinance to make a false application for a business license, or to give or file, or direct the giving or filing of, any false information with respect to the license or fee required by this ordinance.

Section 8. Display and Transfer.
A. All persons shall display the license issued to them on the original form provided by the License Official in a conspicuous place in the business establishment at the address shown on the license. A transient or non-resident shall carry the license upon their person or in a vehicle used in the business readily available for inspection by any authorized agent of the County.

B. A change of address must be reported to the License Official within ten (10) days after removal of the business to a new location and the license will be valid at the new address upon written notification by the License Official and compliance with zoning and building codes. Failure to obtain the approval of the License Official for a change of address shall invalidate the license and subject the licensee to prosecution for doing business without a license. A business license shall not be transferable and a transfer of controlling interest shall be considered a termination of the old business and the establishment of a new business requiring a new business license, based on old business income.

Section 9. Administration of Article.
The License Official shall administer the provisions of this article, collect license fees, issue licenses, make or initiate investigations and inspections to insure compliance, initiate denial or suspension and revocation procedures, report violations to the County attorney, assist in prosecution of violators, produce forms, make reasonable regulations relating to the administration of this ordinance, and perform such other duties as may be duly assigned.

Section 10. Inspection and Verifications.
A. For the purpose of enforcing the provisions of this ordinance, the License Official or other authorized agent of the County is empowered to require the submission of certified records to show compliance with this ordinance. It shall be unlawful for any such person to fail or refuse to make available the necessary information.

B. The License Official may make systematic inspections of all businesses within the County to insure proper licensure has been received and displayed.

Section 11. Assessments, Payment under Protest, Appeal.
A. If a person fails to obtain a business license or to furnish the information required by this ordinance or the License Official, the License Official shall examine such records of the business or any other available records as may be appropriate, and conduct such
investigations and statistical surveys as the License Official may deem appropriate to assess a license fee and penalties as provided herein.

B. A notice of assessment shall be served by certified mail or personal service. An application for adjustment of the assessment may be made to the License Official within five (5) days after the notice is mailed or personally served or the assessment will become final. The License Official shall establish a uniform procedure for hearing an application for adjustment of assessment and issuing a notice of final assessment.

C. A final assessment may be appealed to the Council only by payment in full of the assessment under protest within five (5) days and the filing of written notice of appeal within ten (10) days after payment pursuant to the provisions of this ordinance relating to appeals to Council.

Section 12. Delinquent License Fees, Partial Payment.
A. For non-payment of all or any part of the correct license fee, the License Official shall levy and collect a late penalty of five (5%) percent of the unpaid fee for each month or portion thereof after the due date until paid. Penalties shall not be waived. If any license fee remains unpaid for sixty (60) days after its due date, the License Official shall report it to the County attorney for appropriate legal action.

B. Partial payment may be accepted by the License Official to toll imposition of penalties on the portion paid; provided, however, no business license shall be issued or renewed until the full amount of the fee due, with penalties, has been paid.

The License Official may, but shall not be required to, mail written notices that license fees are due. If notices are not mailed, there shall be published a notice of the due date in a newspaper of general circulation within the County three (3) times prior to the due date in each year. Failure to receive notice shall not constitute a defense to prosecution for failure to pay the fee due or grounds for waiver of penalties.

Section 14. Denial of License.
The License Official may deny a license to an applicant when the License Official determines:

A. The application is incomplete, contains a misrepresentation, false or misleading statement, evasion or suppression of a material fact; or

B. The activity for which a license is sought is unlawful; or

C. The applicant, Licensee or prior Licensee or the person in control of the business has been convicted of an offense under a law or ordinance regulating business, a crime involving dishonest conduct or moral turpitude, or an unlawful sale of merchandise or prohibited goods; or

D. The applicant, Licensee or prior Licensee or the person in control of the business
has engaged in an unlawful activity related to the business or to a similar business in the County or in another jurisdiction; or

E. The applicant, Licensee or prior Licensee or the person in control of the business is delinquent in the payment to the County of any fee or fee; or

F. The license for the business or for a similar business of the Licensee in the County or another jurisdiction has been denied, suspended or revoked in the previous license year.

A decision of the License Official shall be subject to appeal to Council as herein provided. Denial shall be written with reasons stated.

Section 15. Suspension or Revocation of License.
When the License Official determines:

A. A license has been mistakenly or improperly issued or issued contrary to law; or

B. A Licensee has breached any condition upon which the license was issued or has failed to comply with the provisions of this ordinance; or

C. A Licensee has obtained a license through a fraud, misrepresentation, a false or misleading statement, evasion or suppression of a material fact in the license application; or

D. A Licensee has been convicted of an offense under a law or ordinance regulating business, a crime involving dishonest conduct or moral turpitude, or an unlawful sale of merchandise or prohibited goods; or

E. A Licensee has engaged in an unlawful activity; or

F. A Licensee is delinquent in the payment to the County of any fee or fee,

the License Official shall give written notice to the Licensee or the person in control of the business within the County by personal service or certified mail that the license is suspended pending a hearing before Council for the purpose of determining whether the license should be revoked.

The notice shall state the time and place at which the hearing is to be held, which shall be at a regular or special Council meeting within thirty (30) days from the date of service of the notice, unless continued by agreement. The notice shall contain a brief statement of the reasons for suspension and proposed revocation and a copy of the applicable provisions of this ordinance.

Section 16. Appeals to Council.
A. Any person aggrieved by a decision, final assessment, proposed revocation, suspension,
or a denial of a business license by the License Official may appeal the decision to the Council by written request stating the reasons therefore, filed with the License Official within ten (10) days after service by certified mail or personal service of the notice of decision, final assessment, proposed revocation, suspension or denial.

B. An appeal or a hearing on proposed revocation shall be held by the Council within thirty (30) days after receipt of a request for appeal or service of notice of suspension at a regular or special meeting of which the applicant or licensee has been given written notice, unless continued by agreement. At the hearing, all parties shall have the right to be represented by counsel, to present testimony and evidence and to cross-examine witnesses. The proceedings shall be recorded and transcribed at the expense of the party so requesting. The rules of evidence and procedure prescribed by Council shall govern the hearing. Council shall by majority vote of members present render a written decision based on findings of fact and application of the standards herein which shall be served upon all parties or their representatives and shall be the final decision of the County.

**Section 17. Consent, franchise or license required for use of streets.**
A. It shall be unlawful for any person to construct, install, maintain or operate in, on, above or under any street or public place under control of the County any line, pipe, cable, pole, structure or facility for utilities, communications, cablevision or other purposes without a consent agreement or franchise agreement issued by the Council by ordinance that prescribes the term, fees and conditions for use.

B. The annual fee for use of streets or public places authorized by a consent agreement or franchise agreement shall be set by the ordinance approving the agreement and shall be consistent with limits set by State law. Existing franchise agreements shall continue in effect until expiration dates in the agreements. Franchise and consent fees shall not be in lieu of or be credited against business license fees unless specifically provided by the franchise or consent agreement.

**Section 18. Confidentiality.**
Except in accordance with proper judicial order or as otherwise provided by law, it shall be unlawful for any official or employee to divulge or make known in any manner the amount of income or any particulars set forth or disclosed in any report or return required under this ordinance. Nothing in this section shall be construed to prohibit the publication of statistics so classified as to prevent the identification of particular reports or returns. Any license data may be shared with other public officials or employees in the performance of their duties, whether or not those duties relate to enforcement of the license ordinance.

**Section 19. Violations.**
Any person violating any provision of this ordinance shall be deemed guilty of an offense and shall be subject to a fine of up to $500.00 or imprisonment for not more than thirty (30) days or both, upon conviction. Each day of violation shall be considered a separate offense. Punishment for violation shall not relieve the offender of liability for delinquent fees, penalties and costs provided for herein.
Section 20. Severability.
A determination that any portion of this ordinance is invalid or unenforceable shall not affect the remaining portions.

Section 21. Classification and Rates.
A. The Class Structure Model by the North American Industry Classification System code, designated as Appendix B to this ordinance, and the Class Structure Model by rate class, designated as Appendix C to this ordinance, may be amended by the Council from time to time, and current copies shall be filed in the office of the municipal clerk. Appendices B and C are tools for classification and not a limitation on businesses subject to a license fee. The License Official shall determine the proper class for a business according to the applicable NAICS code.

B. The license fee for each class of businesses subject to this ordinance shall be computed in accordance with the Rate Schedule, designated as Appendix A to this ordinance, which may be amended by the Council from time to time and a current copy filed in the office of the County clerk.
