

Request for Proposal FY17-0606 Orangeburg County - Edisto River Debris Removal – Phase 1

Addendum No. 1 (herein referred to as “Addendum”)

This Addendum revises the above-described procurement, and is hereby incorporated and made a part of the above-described procurement as if the Addendum had been included in the original procurement documents. Addendum posted on website at www.orangburgcounty.org-Procurement.

This addendum is as follows: Questions/Responses- Posted June 1, 2017

Questions and Responses (Red)

- 1) What is the procedure for residual debris after identified sections are cut? **The procedure for the debris removal is covered in Article 5.01 in the Bid form, section C-410**
- 2) Can we establish alternate offload sites? **Alternate off-load sites are permissible, however, the ultimate goal is for the County to haul from the described stockpile areas.**
- 3) What are contractor liabilities for residual debris? **The documents cover the disposition of the debris. If there is any minor residual debris the County’s representative will determine the resolution at the site.**
- 4) On site #12, is the overhead tree included? **Yes**
- 5) What is our responsibility for material once it is hauled to the ramp? **If we pull a tree back to the ramp, are we responsible for getting it to the top of the ramp or into a dumpster/trailer? The contractor is responsible for stockpiling the debris at the locations described in the documents.**

Please acknowledge receipt of addendum’s in proposal package form. Failure to acknowledge may cause for disqualification.
