General Information

Brand Names: The name of any manufacturer, trade name, or manufacturer's or vendor's catalog or model number set forth in the specifications is for the purpose of describing the minimum standard of quality, type or performance. Such references are not intended to be restrictive. Quotes will be considered for any brand that meets or exceeds the quality or performance specified. Equipment must be acceptable so as to meet specifications approved by end user prior to final award. Any request for substitutions that meet or exceed this design and performance specification must be submitted on Certification of No Exceptions. No consideration will be given to any substitutes that are not pre-approved in writing prior to final award. Approval or denial of substitutions will be at the end users discretion as to equality of the product and ability to meet quality and/or design requirements. Specifications are subject to normal manufacturing tolerances and may be changed without prior knowledge.

Please use and return this space for any exceptions to the specifications or any other information that may be applicable to the Limited Solicitation

Orangeburg County has the right to accept or reject any/or all quotes.
